OFFICER: *W. Aukerman #72-Lake Stevens Police*

Case number: *16-00012444*

Incident: *Hit and run vehicle collision*

Location: *1000 E. Lakeshore Drive, Lake Stevens*

This incident occurred in the city of Lake Stevens, which is located in Snohomish County in the State of Washington.

SUMMARY:

Scott Smootz reported his pickup had been struck by their community beach on East Lakeshore and that his wife had been by the vehicle at the time; only suspect information is of a dark colored SUV. Smootz believed a local vehicle may have been involved and supplied the vehicle location. The owner of the vehicle was cooperative and found to not be involved. At this time there are no further leads in identifying a suspect and/or vehicle.

NARRATIVE:

On 06/28/2016 at about 1400 hours, Scott Smootz reported his vehicle had been struck yesterday (6/27) around 1500 hours by a hit and run driver in the 1000 block of East Lakeshore Drive, in the city of Lake Stevens, at their community beach access. Scott said his wife was at the truck at the time and had seen a dark in color compact SUV strike their vehicle and continue southbound without stopping.

Scott said his wife had parked their pickup on the west shoulder of East Lakeshore Drive facing southbound and that the SUV that struck their vehicle had been traveling southbound on East Lakeshore Drive. Scott said his wife mentioned the SUV had slowed at 8th Street, as though maybe going to turn up into their residential community. The SUV continued southbound without turning and/or stopping.

Scott said his wife had been jogging in their community on 06/28 and found a possible suspect vehicle at 902 123rd Ave NE. I went to the location and found the damaged vehicle which Scott's wife was speaking of. Some of the damage on the passenger side appeared to be recent, while some appeared older (rusting). I contacted the owner of the vehicle at the residence.

The owner of the vehicle, Gail McCurdy, said the damage to her vehicle was old and that she had insurance documentation of the old damage. McCurdy included that she had parked her vehicle around 0900 and 1000 hours yesterday and that her 19 year old son had not driven the vehicle at all yesterday.

McCurdy met with me and Smootz at the police department around 1630 hours where the vehicles were lined up which would have been similar to the incident collision. The damage to McCurdy's vehicle (low) did not match up to the damage on Smootz's vehicle.

The damaged portion of Smootz's vehicle is on the driver's side rear quarter panel and driver's rear tire and rim.

Smootz completed a written statement and was provided with a police case report number for the incident.

At this time there are no further leads in locating and/or identifying a suspect and/or vehicle.

RECOMMENDATIONS:

At this time there are no known suspect(s) or leads in this case. I recommend the case be closed, and can be reopened if suspect information is found at a later time.

END OF REPORT.

I CERTIFY UNDER PENALTY OF PERJURY UNDER THE LAWS OF THE STATE OF WASHINGTON THAT I HAVE COMPLETED THIS NARRATIVE ON THE DATE AND AT THE LOCATION LISTED BELOW, AND I AM ENTERING MY AUTHORIZED USER ID AND PASSWORD TO AUTHENTICATE IT.

I HAVE PROBABLE CAUSE TO BELIEVE THE ABOVE NAMED PERSON COMMITTED THE ABOVE OFFENSE(S).
